

FOR IMMEDIATE RELEASE

RADIALL COMPLETES THE ACQUISITION OF TIMBERCON, INC.

January 13, 2020- Radiall America, Inc. announced today that it has completed the acquisition of Timbercon, Inc., a fiber optic interconnect specialist based in Tualatin, Oregon.

“We are excited to welcome Timbercon to the Radiall Group. By combining our activities, our objective is to offer the most comprehensive range of end to end active and optical interconnect solutions for harsh environments, through innovation, simplification and service,” says Pierre Gattaz, President & CEO.

“Joining the Radiall Group will allow Timbercon to continue to elevate its commitment to stellar customer service and providing zero defect solutions, on time, and on budget to demanding markets. We are very excited what the future brings as part of the Radiall Team,” says Eric Meslow, President of Timbercon.

Timbercon, Inc. will continue to operate as a standalone company under its current leadership, while leveraging synergies with Radiall.

About Radiall

Radiall, founded in 1952, is a global manufacturer of leading-edge interconnect solutions that employs 3,500 individuals. The company offers an extensive range of RF coaxial connectors and cable assemblies, coaxial switches, fiber optic and microwave components, multipin connectors and more. Radiall has sales offices and subsidiaries throughout the world to support its customers locally.

About Timbercon

Timbercon, Inc., an 80 employee company founded in 1997, is a fiber optic product and solution manufacturing company that provides a variety of connectivity solutions to the aerospace, defense, medical, data storage, telecommunications, industrial, broadcast and networking industries.
